

A Utah hunting license is not required to hunt at Falcon's Ledge; we do however follow the Utah Division of Wildlife regulations regarding age and hunters education requirements.

## Age Requirements, Restrictions and Proof of Hunter Education

- (1)(a) A person 12 years of age or older may purchase a license to hunt upland game.
- (b) A person 11 years of age may purchase a license to hunt upland game if that persons 12th birthday falls within the calendar year in which the license is issued.

- (b) A person of at least 14 years of age and under 16 years of age must be accompanied by a person 21 years of age or older while hunting with any weapon.
- (3) As used in this section, "accompanied" means at a distance within which visual and verbal communication are maintained for the purposes of advising and assisting.
- (4) The Division may not issue a hunting license to any person born after December 31, 1965, unless proof is presented to the Division or one of its authorized wildlife license agents that the person has passed a Division approved hunter education course offered by a state, province or country.
- (5) For purposes of this section, "proof" means:
  - (a) a certificate of completion (in Utah referred to as a "blue card") of a hunter education course; or
  - (b) a current or immediately preceding year's hunting license issued by a state, province or country with the applicant's hunter education number noted on the hunting license.
- (6) Any person, who has completed an approved hunter education course in another state, province or country and becomes a Utah resident, must obtain a Division-issued blue card prior to purchasing a resident license or permit. Proof of completion of an authorized hunter education course by another state, province or country must be presented or verified in order to obtain a Utah blue card. A Utah blue card may be obtained at any Division office at no charge.
- (7)(a) If an applicant for a resident or nonresident hunting license has completed a hunter education course and is applying for a hunting permit or license through the Division's drawings, Internet site, or other electronic means authorized by the Division, the applicant's hunter education number and the name of the state, province, or country that issued the number may constitute proof of completion of a hunter education course under this section.
- (b) The Division may research the hunter education number to verify that the applicant has completed a Division approved hunter education course.
